## Strikes and Snares

The L. C. Doan team took three points from the Browns Garage team in a close match. A. Johnson led the grocers with a nice series of 507. H. Leonard was high for the Browns with 482.

The Flying A Gas team took three points from the Drew Electric team. Donaldson was high for the Flying A's with 443, and Owens topped the electric boys with 449.

The Western Consumers and the Terry's Service Station team broke even in their series. Tyner led the service men with 524, and G. Gray, with 554, was high for the Western Consumers team.

The league standings at the end of the first half of the season:

Team	Won	Lost
L. C. Doan	34	6
Drew Electric	23	17
Flying A Gasoline	23	17
Brown's Garage	15	25
West. Con. Feed Co.	13	27
Terry's Service	12	28

## Hunting Banned During Snow

RICHMOND, Va. (U.P.)—When it snows in Virginia, hunters just draw up a chair and sit around a fire until the snow melts. For in the Old Dominion the state game laws prohibit hunting while there is snow on the ground.

## All Stars Come Back

### To Win From Dick Moudy's Outfit of San Pedro Sunday By Close Score

The Torrance All-Stars made up for their defeat a week ago by trimming the Dick Moudy outfit from San Pedro last Sunday before a goodly gathering of fans who braved the cold wind to see them do it. And incidentally, much to the gratification of Manager Jack Silva, the fans kicked in liberally when the hat was passed, thereby making it possible for the boys to buy some more bats and balls for the next fray, which will be against Compton next Sunday.

The Moudy gents made ten runs and eight hits last Sunday off the offerings of Blake and Willis. Blake had a bad cold and retired after two innings, but Willis turned in a good job and held his men to hold on to their one-run lead.

The All-Stars gathered up 11 runs on 11 hits off Moudy, who fanned five batters. The score might have been a little less close but for four errors on the part of the All-Stars which handed San Pedro some gift runs.

Batting averages for the team show some pretty good stickers. Blake, pitcher, strange to say, is leading with an average of .600 but his high rating is due to the fact that he has played only parts of games and has been at bat only five times, getting three hits out of his turns.

Following is the list:

Name	A.B.	H.	Pct.
Gar Johnson	12	4	.333
Mearing	5	1	.200
S. Johnson	11	4	.333
Wynesgar	8	3	.375
Burch	9	1	.111
Rios	10	4	.400
Blake	5	3	.600
Olsen	4	0	.000
Montgomery	5	1	.200
Willis	16	6	.375
Coates	5	1	.200
Fetherolf	7	2	.286

As will be noted, from the number of times at bat, some of the boys have played in only one or two games, and will probably make a much better showing as the season goes on.

## BIRTHDAYS OF FAMOUS PEOPLE

Isabel Irving, actress, was born February 28, 1871.

## SPORT SHOTS

By Bob Lewellen

Next Monday, March 4, is the date that the Kiwanis Club has set aside to show pictures of Louis Zamperini and Hubert Luck, the first two Torrance boys to ever represent our city in the class A Southern California track and field meet. This pictures will show Louis as he broke the world's record in the mile, a record that had stood for over 16 years. There will also be a reel on the C. I. F. football playoff of 1934. Seth Van Patten, commissioner of athletics of California will be the speaker of the evening, and will have many interesting happenings of California Athletics to tell the sport fans of Torrance. The local Kiwanis club invites all interested fans of Hubert Luck and Louis Zamperini to attend this meeting, at the Wilson high school grounds, at 6 p. m. 9 in. This great journey will no doubt achieve the height during the coming season, and if the weather man does not frown upon the meet, Johnson says that he would like to break the record at Long Beach. In the pole vault, U. S. C. has two boys Sefton and Meadows who are heating over 34 feet. No doubt one of these great vaulters will soar over the world's record.

Saturday is the date of the annual S. P. A. U. Relay Carnival held at Long Beach. It will no doubt be the greatest one ever held on the Wilson high school grounds. Those who attend will probably see several California records, and a few world's records broken. The pole vault and high jump records are the two that are to be under the severest test. Corney Johnson, negro high jumper who has been competing back east has returned to try to make a new world's record at 6 ft. 9 in. This great journey will no doubt achieve the height during the coming season, and if the weather man does not frown upon the meet, Johnson says that he would like to break the record at Long Beach. In the pole vault, U. S. C. has two boys Sefton and Meadows who are heating over 34 feet. No doubt one of these great vaulters will soar over the world's record.

Torrance high school holds the S. P. A. U. meet record for the medley relay race, 500 class. But at the present time under the new ruling of the Los Angeles board of education will not be allowed to defend their record. It may be broken by another school. If Torrance high school could enter, they would set a new record that would stand for years. Bobby Wertz is running the 100-yard dash around 10 flat; the 220-yard dash is the only part of the relay that Torrance would have slowed down in, but Bernie Donahue has several boys who are traveling the furlong in good time; Hubert Luck is running within a second in the 440, as fast as his best time at the end of last season; then Louis Zamperini who is rounding around in good shape would be another man and is running the 800 faster than any high school boy in the state at the present time. I believe that if it were possible for Torrance to enter a team to defend their record that they would run the race three seconds faster than last year. If so, it would probably be a new world's record for this type of a race. Tough luck boys, but stay in there and fight.

March 8 is the date that the Quebec Track and Field Association have picked for the indoor championship track meet of Canada. Leading track men of Canada, America and Europe will participate in this great annual meet. The two outstanding American athletes who have been invited to enter are Glen Cunningham, miler and Ralph Metcalfe, negro sprinter. Here are a few of the outstanding stars of Europe who have been invited: Luigi Beccali, Olympic 1,500-meter champion, from Italy; Henry Nielson, of Denmark, world 3,000-meter record holder; Erik Ny, of Sweden, European 1,500-meter record holder, and Yoshioka, of Japan, Olympic 100-meter finalist. If these men who have their names inscribed on the annals of sport history enter this meet along with other "greats" of the track and field, it will be one of the outstanding events of the year for North America.

Torrance high school, after becoming the producer of championship teams, has gone ritz. The Tartars have a mascot. A great big duck. There are rumors on the local campus that the duck mascot will be outfitted in a sweater of red and white. Well, let's hope that the new mascot, if so official adopted, will bring a continuance of great teams for the Tartars. Oh yes, the duck is under a heavy guard at the present time, for fear that someone should pluck a duck dinner.

Torrance bowlers and bowling fans here's one. Henry (Lefty) Smith, secretary of the Nashville Bowling Association claims the world's long distance bowling championship. Smith rolled a regulation ball 491 feet. He bested 24 other local bowlers in a contest on an asphalt pipe. His record has been forwarded to the American Bowling Congress for consideration.

## Boxing Teams Meet For Titles

Two of the greatest amateur boxing teams ever assembled in the West will oppose each other at the Hollywood American Legion stadium tonight, February 28, for the San Francisco and Southern California titles. The two teams are the California C. Y. O. championships.

George Blake, noted boxing instructor and Clayton Frye, former L. A. C. instructor have been in charge of the Southern California team by Monsignor Michael O'Gorman who is the head of the Catholic Youth Organization in the diocese of Los Angeles and San Diego.

Finns in the tournament of the archdiocese of San Francisco were concluded several months ago and the lads have been training for the encounter with the local boys. "Southern California will be represented by one of the best teams I have seen," declared Instructor Frye. "In the 112-pound class we have Jimmy Smith of South Pasadena, who hasn't been defeated, and Mike De La Rosa. Jimmy Stone, state feather champion of the amateurs, will show his wares. Morrie Dragna, one of the outstanding middleweights in the United States, Vic Nardoni, Frank Helke, Tino Derama and others are out for places on the squad."

There will be 12 bouts on Thursday night's program and the prices will range from 50 cents to \$2.00.

Monsignor M. O'Gorman announced that the four best boxers in Thursday night's program would be named on the C. Y. O. team that Bishop Bernard J. Shiel of Chicago is planning to take to Dublin, Ireland, this summer.

## Fish and Game Association Entertains

### Local Sportsmen Invited to Show At Breakfast Club

LOS ANGELES—Sportsmen from San Diego to Santa Barbara will be guests of the Fish and Game Development Association and its affiliated clubs the night of March 23, in the Breakfast club, Los Angeles. "Doc" Paul MacWilliams, president of the Warner Brothers Studio Rod and Reel Club, who is staging the show, has announced that "Dick Powell, Warner Brothers picture star, radio luminary and all-around good fellow, will be the master of ceremonies.

Carl F. Johnson, noted conservationist and president of the conservation body, has announced that funds derived from the frolic will help to underwrite the major legislative fish and game program to be conducted at Sacramento. Sportsmen throughout California are for the first time presenting a strong and united legislative program, which has been developed and approved by the 40,000 members of the association.

## FISH PLANTING in California lakes WILL START SOON

SACRAMENTO, (U.P.)—Weather permitting, the 1935 fish planting season will be undertaken by the state division of fish and game within a few weeks.

The first plantings will be taken from the Forest Home hatchery and will include more than 358,000 rainbow, loach levan and silver salmon trout. All the fish will be from six to eight inches long at the time of planting, the division announced.

The first plantings will be made in El Capitan reservoir, San Diego; Hemet lake, Riverside county; Little Rock reservoir, Los Angeles county, and in the north fork of the San Gabriel river, Los Angeles county.

Plantings from other hatcheries also will be started within a short time, the announcement said.

Wild Hog Attacked Man NEW BADEN, Tex. (U.P.)—Paul Schultz, pioneer merchant here, was badly injured when he was attacked by a wild hog. At the hospital he was treated for loss of blood caused by the severing of several arteries.

## HIGH WIND blows teams off DIAMOND

The high wind last Saturday caused postponement of both games in the Columbia Steel League. The Foundry and Cobblers, however, played four innings before being almost blown off the field but could not muster courage to finish. It is likely that none of the games postponed this half will be played over as they would not have any bearing on the finish, the Foundry being "in."

The two games Sunday between the Warehouse and Daubers ended in victory for the Warehouse by the score of 9 to 2. In the second game the Yard easily defeated the Electricians, score 21 to 4.

### STANDING OF TEAMS

Team	W.	L.	Pct.
Foundry	5	0	1.000
Rolling Mill	4	1	.800
Cobblers	3	2	.600
Warehouse	4	3	.571
Open Hearth	3	3	.500
Yard	3	3	.500
Electricians	1	5	.167
Daubers	0	6	.000

## Revolver Ass'n. Meets Tuesday

Members of the Revolver and Rifle Association are called to meet Tuesday night, March 6, at the city hall for their regular business session. President John Stroh asks all members to turn out to discuss matters of importance.

## Stamp Collectors Form a Club

Stamp collectors of Torrance have formed a club, which will meet on Wednesday evening, each week, from 7 to 10 o'clock at the Recreation building on Cabrillo avenue. The members will study the stamps and carry on active trading at these meetings. All stamp collectors are invited to attend.

COMPLETE COVERAGE—All Torrance Herald ads run in the Tri-City Shopping News without extra charge.

## Farm Furnished Coffin Wood

SPRINGFIELD, Mo. (U.P.)—Uriah A. Bush, 91-year-old carpenter, was buried in the coffin he made for himself 20 years ago of scraps of cherry wood from trees on his own farm.

## WRITER MOVES

John deKay, noted writer and world traveler, who has been residing in Lomita, removed with his family this week to Emerald Bay. Mr. deKay has just returned from a business trip to Washington, D. C.
